Foreword

In publishing "THE CARMELITE" of 1931, the Senior Class endeavors to record for you the pleasantest memories of a fruitful work, helpful recreation and general good-fellowship. The work of such a book as this shall not have been completed with its publication—rather, its usefulness has only then begun, for it proves its worth only by the happiness it may inspire during future readings.

1931

Anna Elizabeth Rhoades

This little blonde hails from Kulpmont. She is noted for her sunny disposition, which has won her many friends during her happy high school days. You can easily recognize her, for her favorite color is green. She should be Irish!

Girl Reserves

Russel Richard Rothka

We want you to meet "Russ," the fun-maker of the class. The center attraction wherever he goes. Russ always livens things up when the spirits of the crowd are falling. His ambition is to be a baseball player.

H. Y.

Peter Paul Ruginis

Here is the only full-fledged dance promoter in our class. Peter has been successful in this respect and some day we expect to see him at the head of a famous danceland.

Herman Alfred Ruths

We certainly have plenty of studious people in our class. Introducing another one. Herman certainly loves school work. Let's hope he likes all other work just as much.

Glee Club 4, Minstrel 4, Operetta,

Hilda Grace Ruths

Hilda though small in stature has a wonderful voice. She is the nightingale of the Senior class. Though she claims she is not interested in boys, we think that there is somebody

Girl Reserves, Operetta

Charles David Saluda

Here we have the portrait of a true blue fellow. Whenever in need go to "Charlie" and help you. "Charlie" is interested in aviation.

Football 1, 2, 3, Track 1, 2, 3, Operetta 4, Orchestra

1931

Mary Sophia Secula

This smiling lass comes to us from Marsh Heights. She is one of our best stenographers. Ask Mr. Schaeffer about that! Mary is bright and gentle and has a smile for everyone. Mary expects to take up art, domestic or otherwise.

Girl Reserves; Dramatic Club.

Adeline Annetta Sedar

We won't dispute the proverb. Good things come in small packages, but there's something good in a tall package. Adeline is expecting to take up teaching. We predict great things of her.

Operetta; Girl Reserves.

Clemens Sentkoski

"Bashful Clem" is his moniker. He deserves this title because he is so quiet when the fair sex are around. Even with this unusual characteristic we know he will be a success.

"Tea For Tom"; Operetta.

Helen Shubiak

Helen is a studious girl, but even so she does not let her studies interfere with her pleasures. Helen is always willing to help a classmate. The whole Senior class will miss her company.

Girl Reserves; Glee Club; Minstrel

Howard Parker Shutt

Here is a boy who is respected by everyone. Howard is a diligent worker and a loyal supporter of M. C. H. S. in all her activities. He is undecided about his future but we are sure he will be a success.

Leo Stascal

Quiet, yes, but capable. While we did not hear much from this fellow we took it for granted that he knew his X, Y, Z's. Leo is planning on selling Frigidaires at the North Pole.

Glee Club

Helen Marie Stief

Slim and dignified—that's Ella. One of our most popular girls. Her gentle, charming ways have made her everyone's friend. We know that her sweet disposition will be an asset to her in her future work as a schoolmarm.

Girl Reserves; Glee Club

Margaret Jane Stine

Margaret is the quiet and studious girl of our class. In fact she is one of the brightest girls in the Senior Class. Peggy has an idea that she will take up teaching. We know she will be a success.

"Tea For Tom"; Girl Reserves; Minstrel; Commencement

Helen Agatha Swaboski

In Helen we have one of our greatest pals and helpers. A good dancer, a good worker, and a good friend—that's Helen all over. She is very popular with both sexes, and we are sure her popularity will continue.

Carmelite Staff

Lamar Edgar Swavely

"Swabs" is one of our would-be athletes. It is too bad M. C. H. S. didn't have a baseball team for "Swabs" is a baseball player deluxe. "Swabs" will probably become a big league ball player.

Dorothy Teufel

"Toots" is not the quiet and demure Miss that you perhaps think she is. She is a lively girl and a wonderful dancer. With her pleasant smile she gains many friends. We wish you luck in your undertakings.

Girl Reserves; Dramatic Club, Operetta.

Josephine Rose Tomaszewski

Josephine, one of the most charming girls in our class always has a smile for everybody. Much of her pastime is spent in reading and singing. She seems to pay no attention to the opposite sex, but then we might be mistaken.

Girl Reserves; Minstrel; Glee Club; Operetta.

1931

Elizabeth Barbara Umlauf

"Betty" is one of the few red-headed girls without a fiery temper. She is one of the most charming girls and always has a smile for everyone. She intends to enter college.

Dramatic Club; Girl Reserves

William Gregory Walsh

"Willie" is one of our talented actors. He is generally running after some one to get his algebra, but occasionally looks for somebody to shoot pool with. In the future "Willie" plans to run the Light Company. Success!

Band 1, 2, 3, 4; Orchestra 1, 2, 3, 4; "They All Want Something"; Minstrel; Operetta.

Josephine Jane Warakowski

Gentle and demure with a smile on her lips and a twinkle in her eye this is Jo. We see her, but we seldom hear her, for she is unusually tucked away in some far corner studying her lessons.

"Tea For Tom"; Dramatic Club; "They All Want Something"; Commencement

Marcella Blenda Wary

Marcella has been with us for four wonderful years. She is a happy-go-lucky girl, and is liked by everyone. Marcella intends to take up nursing at Fountain Springs Hospital and the Senior class wishes her success.

Girl Reserves; Glee Club

Gertrude Edith Wasakoski

"Gertie" is one of the jolliest girls in school. You can always tell when she is around, because of her cheerfulness. She is an industrious student, and willing to help any one. As someone's stenog we feel sure Gertie will be a success.

Girl Reserves

Myrtle Olga Watkins

Look at the portrait. Now you can readily see why gentlemen prefer blonde hair and blue eyes.

The attracted one seems to be a member of the junior class. As a future schoolmarm we wish her all the success in the world.

Girl Reserves; Minstrel; Glee Club; "Tea For Tom"; Operetta.

1931

Harry Frank Wightman

Here is Harry, the greatest dramatic wizard of our class. When it comes to putting a play across Harry is right there with the goods. Harry is also the trumpet player of the Ambassadors.

Band 1, 2, 3, 4; Orchestra 1, 2, 3, 4; "Tea For Tom"; Minstrel; Operetta; Glee Club.

Elizabeth Sara Williams

"Betty" is the fun-loving girl of the Senior class. Whenever "Betty" is around you are sure of a good time. She is interested in anything pertaining to science. In fact Betty intends to become a doctor. We know she will be a success.

Girl Reserves

James Lewis Wilson

Here is a valuable asset to our class. "Jim" hails from Centralia. He is one of the many Seniors who sometimes puts pleasure before studies. "Jimmy's" dad is a pharmacist and we suppose "Jimmy" will be one too.

"They All Want Something", Dramatic Club; Glee Club; Operetta.

Edwin Joseph Witkoski

"Eddie" is one of those jolly, good-natured, happy-go-lucky Mount Carmel boys. His hobby is playing the piano and boy, how he can play it! Eddie intends to play with an orchestra and we just know he will make a hit.

Henry Harold Wolf

There he goes—the high school sport. This introduces Henry, a valuable addition to our class. Henry is an ambitious fellow and we expect him to be one of Mount Carmel's leading clothiers in the future.

George Wrona

George is one of the outstanding athletes of the class. He will be remembered as a brilliant performer on the gridiron, and in track. A serious injury to his leg kept him out of football most of his Senior year.

Minstrel; Glee Club; Football 2, 3, 4; Track 1, 2, 3, Capt. 4.

1931

Marie Jane Yeager

Small and shy! One must be her friend to find the wonderful qualities she possesses. Always willing to help in work and play. Never mention boys to her. As a future business girl we wish her the best of luck.

Girl Reserves

Herbert George Young

Happy and gay no matter what goes on. Herbert is a loyal supporter of our High School in all activities. "Herbie" is a boy who believes that there is a time for fun and a time for study.

Hi-Y

Francis Joseph Yuskellis

The ideal student is typified in "Frankie." He is so quiet that one knows he is studying things over in his mind. He is a good sport and a loyal supporter of the dear old M. C. H. S.

Football 1, 2.

Mary Alice Zigraff

Met one of the Marys. They joined our class when we were Juniors. Her crowning glory is her greatest worry and her favorite expression is "Does my hair look all right?"

Class Song

Tune—"Tears"

Alma Mater good-bye
Farewell to you all
New duties soon fill our lives
As we all go out in this big wide world
Our farewell to you we sing

Chorus:

'Tis so sad to part from comrades dear
But to all we bid a sweet farewell
For our school days now are past and gone
And of other scenes and cares our lips must tell.
Time can nevermore destroy the mem'ry
Long will our hearts recall each joy and happiness
Classmates stand together
And we all must now bid
Farewell to all our high school days

No more good old friendships.
No more good old ways.
These all turn to mem'ries now
Good-bye, good-bye, Alma Mater farewell
As we sing our parting song

—Velma Bixler

The Carmelite Staff

During the past year in order to be different we put out a School Paper. The paper created a lot of work for the Staff but nevertheless it was a big success. We are sure that the 1931-32 Carmelite Staff will put out a model High School paper.

Boys' Basketball

Captain Kalinosky, George Jones, Frank Decarli, Peter Avizienis, Alphonso Mazzarona, Chester Nasfield, Thomas Vershanski, Bernard Kotarski, Clayton Merwine, John Stankevich—these boys did fine during the past season but we will expect more next year.

Our Jayvees are doing fine and have some good material for our varsity next year. In the 1931-32 squad the boys will have a number of veterans together with the Junior Varsity boys. We Seniors as Alumni will be looking for big things.

Track Team

This season the track team showed great form. The boys won the first meet in which they were entered, the Coaldale Meet, and they have but three more meets to win. Although crippled at Coaldale, our boys took three out of ten first-places and won with twenty-one and one-half points. The Mount Carmel High School track records, who made them and when, appear in the opposite column.

Girl Reserves

The popularity of the Senior Girls' Reserve Club is noted in an almost 100% enrollment of the Senior girls. While their activities have been largely social tending to promote good fellowship, they have loyally supported every school project. In their program they have tried to instill the meaning of the Girls' Reserve code and to live up to their slogan:

To Face Life Squarely and To Find and Give the Best.

FOLLOW THE RULES OF THE ROAD

It is too late to set your estate in order after the inevitable happens. All of us should profit by the experiences of others and follow the "rules of the road."

In arranging your estate affairs, bear in mind that the Trust De-

PARTMENT of this institution has behind it abundant resources. Your estate will be handled precisely in the way you direct.

Let the wisdom of others in engaging our services point the way for you.
